An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Ray Lippit on 10/12/06.

In claim 36, line 48, after "ends", insert ---said left and right portions further including left and right upper pulley members and said left and right moving assemblies include left and right flexible elongated structure including a series of bungee cords, and including flexible elongated structures trained over respective left and right pulley's.

In claim 37, line 1, delete "wherein said", insert in it's place ---including---

In claim 37, line 2 delete "are".

In claim 38, starting in line 1, delete "said left and right moving assemblies comprising left and right series of bungee cords".

The following is an examiner's statement of reasons for allowance: The prior art of record fails to teach or fairly suggest singularly or in combination an exerciser device comprising left and right upper pulley, members, left and right flexible elongated structures, left and right moving assemblies and including a series of bungee cords trained over respective left and right pulley's as specifically claimed in claim 1.

Art Unit: 3764

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

The prior art made of record and not relied upon is considered pertinent to applicant's disclosure. Note the overall device of Shifferaw 4,620,704 McBride 6585626 B2, Olson 6685607 B1 and Howell et al 7060012.

Any inquiry concerning this communication should be directed to Jerome Donnelly at telephone number (571) 272-4975.
